- 27.11 The Client acknowledges that any individuals that receive or use Authenticators with the Client's knowledge are authorised to act on behalf of the Client, including, without limitation to use the Service for execution of futures and options trading and to change such Authenticators, and it is the Client's sole responsibility to keep all Authenticators and other means of access with the Client's direct or indirect possession or control both confidential and secure from unauthorised use. The Client shall obtain and maintain, at his own expense, computers, computer systems (including but not limited to servers and peripheral equipment), operating systems, applications, communications software, internet browser, telecommunications equipment, third-party application services and other equipment and software ("Equipment") required for the Client to access and use the Service, which Equipment requirements may be changed from time to time by ADMIS HK upon reasonable advance notice to the Client. The Client acknowledges that ADMIS HK shall not be responsible for any problem, error or malfunction relating to the Service resulting from the Client error, data entry error by the Client, or the performance or failure of Equipment or any telecommunications service, internet connection, internet service provider, or any other third party communications provider, or any other failure or problem not specifically attributed to ADMIS HK ("Technical Problems"). The Client represents and warrants that the Client and/or its representatives at the time of each trade will be authorized to use the Service as contemplated hereunder, and will use the Service only as permitted hereunder and in accordance with the laws and regulations applicable to the Client and the Client's trades.
- 27.12 ADMIS HK may terminate the Client's access to the Service at any time upon written or electronic notice. The Client may terminate use of the Service at any time upon written or electronic notice to ADMIS HK. ADMIS HK further may terminate or suspend the Client's access to the Service immediately: (a) if the Client (i) becomes insolvent; (ii) becomes the subject of a petition in bankruptcy which is not withdrawn or dismissed within 60 days thereafter; (iii) makes an assignment for the benefit of creditors; or (iv) materially breaches its obligations under this Agreement; or (b) if ADMIS HK determines or believes in its sole judgement that (i) there exists any actual or potential defect in the Service which materially impairs the reliability, credibility or integrity of the operation thereof, or (ii) continuing to provide the Service pursuant to this Agreement would infringe upon the intellectual property rights or any third party, or (iii) the Service has been or may be used by the Client for any illegal transaction or unlawful purpose; or (iv) upon written instructions from ADMIS HK. Upon termination, the Client shall cease use of the Service and destroy all Authenticators then in the Client's possession or control. Clauses 27.13 and 27.14 hereof shall survive any termination of the Service or of this Agreement.
- 27.13 The Client acknowledges and agrees that ADMIS HK has entered into a contractual agreement in order to provide the Service to him. The Client shall not redistribute for commercial purposes any information obtained from ADMIS HK pertaining to the Service or use such information in any manner inconsistent with the terms of this Agreement. The Client shall not permit the Service or any part thereof to be reverse engineered, copied, transferred or modified in any manner, except to the extent the foregoing actions under applicable law may not be restricted. Data and information, including, without limitation, trade amounts, prices and other trade-related details, submitted or disclosed by the Client in the course of using the Service (collectively, "Trade Data") shall be retained by ADMIS HK subject to the following terms. ADMIS HK shall have the right to use or disclose Trade Data in its discretion; provided however that ADMIS HK may disclose such data or information to third parties in aggregated or otherwise anonymous form only, so as to prevent the disclosure of the Client's identity in connection with any such data or information, unless such disclosure is expressly authorized in writing by the Client, is made in connection with the Client's use of the Service or is required by court order or any regulatory body or applicable law. The Service is provided on an "as is" and "as available" basis without warranty of any kind and that use of the Service is at the Client's sole risk. Without limiting the foregoing, the Client acknowledges and agrees that ADMIS HK makes and the Client receives no warranties, whether express, implied, or statutory regarding or relating to the subject matter hereof. ADMIS HK specifically disclaims all implied warranties

of merchantability, fitness for a particular purpose and non-infringement with respect to the subject matter hereof, including without limitation the Service. ADMIS HK makes no warranty that the Service will be uninterrupted, error free or available at all times, nor does ADMIS HK warrant that the Service will remain compatible with, or operate without interruption on, any equipment provided by the Client.

27.14 The Client will indemnify, defend and hold ADMIS HK and any of its officers, directors, employees and agents or any officers, directors, employees and agents of any of its affiliates (collectively, "Indemnitees") harmless from and against any and all claims, damages, losses, costs or expenses, including reasonable attorneys' fees, arising from or relating to (a) any breach by the Client of Clause 27.12 or 27.13 hereof; (b) the non-performance by the Client of any agreement or transaction; or (c) any third party action or proceeding brought against an Indemnitee based on the use of the Service or any aspect thereof by the Client or by any of its employees, agents or affiliates or by any other person utilizing Authenticators or Equipment in the Client's direct or indirect control, except to the extent attributable to the default, gross negligence or wilful misconduct of an Indemnitee. Except for claims for wrongful death, personal injury resulting from negligence or fraud, under no circumstances shall ADMIS HK or any of its officers, directors, employees and agents or any officers, directors, employees and agents of any of its affiliates be liable to the Client for any loss of profit, loss of business, or for any indirect, incidental, consequential, special or exemplary damages arising from or relating to the Client's use of the Service. The representations, covenants, acknowledgements and agreements made by the Client herein are made for the benefit of ADMIS HK. ADMIS HK may assign any of its rights hereunder to any ADMIS HK affiliate or in connection with the merger or acquisition of ADMIS HK or the sale of all or substantially all of its assets.

27.15 The Client may enter trade instructions through the Service. The giving of a trade instruction to ADMIS HK (whether by electronic means or otherwise) does not guarantee execution of an order. The Client understands that neither ADMIS HK nor any of its officers, directors, employees or agents shall be responsible for any order that is not executed. Each trade instruction given by the Client shall include the details and comply with the limitations as specified by ADMIS HK and communicated to the Client from time to time through the Service. ADMIS HK shall have no obligation to accept any trade instruction which does not comply with the limitations specified by ADMIS HK, but may do so in its sole and absolute discretion. Acceptance of any such non-conforming instruction shall not obligate ADMIS HK to accept any subsequent nonconforming instructions.

27.16 ADMIS HK may refuse to accept and/or carry out any trade instruction, without being obliged to give any reasons for such refusal. For the avoidance of doubt, ADMIS HK may reject a trade instruction for any reason whatsoever, including but not limited to the following:

- (i) The trade instruction does not comply with the limitations and requirements set forth in Clause 27.15 above;
- (ii) The price published on the Website shall have expired or has been withdrawn. The terms of the trade instruction cannot be determined with certainty by ADMIS HK; and/or
- (iii) There is lack of sufficient funds in the Client's account to settle the transaction.

27.17 A trade instruction which for any reason, including failure of the Service to transmit such instruction, is not received by ADMIS HK in a manner in which it can be processed shall be deemed rejected by ADMIS HK. ADMIS HK shall not be deemed to have received the Client's trade instructions unless and until the Client is in receipt of ADMIS HK's message acknowledging receipt, either electronically or by hard copy. Receipt of the Client's trade instructions, however, does not guarantee such trade instructions will be executed by ADMIS HK.

27.18 The Client agrees to review every order before entering it as it may not be possible to cancel his instructions once given. The Client may request in writing to cancel or amend his instructions but ADMIS HK is not obliged to accept any such request. The Client acknowledges that instructions may be cancelled or amended only before execution. In the case of full or partial execution of the Client's cancelled instructions, the Client accepts full responsibility for the executed transactions and ADMIS HK shall incur no liability in connection therewith. The Client acknowledges and agrees that if the mode of communication used by the Client in the course of the Service becomes temporarily unavailable, the Client can during such period continue to operate the account subject to ADMIS HK's right to obtain such information regarding the verification of the Client's identity as ADMIS HK may from time to time think fit. The Client further acknowledges and agrees that none of the Information Providers shall be a party to, nor shall they have any obligations under or with respect to, any transaction (whether entered electronically or otherwise) between ADMIS HK and the Client.

27.19 The Client acknowledges and agrees that ADMIS HK is the proprietor or the authorized licensee of all Intellectual Property Rights subsisting in the Information, software programmes relating to the Service and the source code thereof. - (i) for damages of any kind, whether direct, indirect, special, consequential or incidental, resulting from access or use of, or inability to access or use the Service, including without limitation damage resulting from the act, omission, mistake, delay or interruption of the Information Providers, even if ADMIS HK, its officers, employees, agents or the Information Providers have been advised of the possibility of such damages or losses; or
- (ii) for damages resulting from a cause over which ADMIS HK, or any of its officers, directors, employees and agents or the Information Providers do not have control, including but not limited to any government restriction, suspension of trading, failure of electronic or mechanical equipment or communication lines, telephone or other interconnection problems, incompatibility of computer hardware or software, failure or unavailability of access to the Service, problems with internet service providers or other equipment or services relating to the Client's computer, power failure, problems with data transmission facilities, unauthorized access, theft, fire, war, strikes, civil disorder, acts or threatened acts of terrorism, natural disasters or labour disputes.

27.24 The Client agrees that ADMIS HK shall not be responsible for any damage to the Client's computer, software, modem, telephone or other property resulting from the Client and/or its representatives' use of the Service.

27.25 The Client agrees to defend, indemnify and hold ADMIS HK, any of its officers, directors, employees and agents, or any officers, directors, employees and agents of any of its affiliates and the Information Providers harmless from and against any and all claims, losses, liability, costs and expenses arising out of or in connection with the Client's use of the Service, including but not limited to his violation of this Agreement or infringement of any Intellectual Property Rights. - (vii) it is usually not possible to cancel an instruction after it has been given;
- (viii) there may be system failure, including the failure of hardware and software or breakdown of communication facilities, which may result in the Client's instruction not being executed according to its instruction or is not executed at all; and
- (ix) the Client has been requested by ADMIS HK to re-read, and has re-read, the risk disclosures contained in the Agreement as such risks are inherent with his futures and options trading with ADMIS HK through the Service in accordance to the terms and conditions of this Agreement.

27.27 The Client acknowledges and agrees that any documents provided by ADMIS HK in hardcopy or on the Website shall not be copied, distributed, modified, transmitted, framed, uploaded, posted in any way, shape or form without the prior written consent and approval of ADMIS HK. ADMIS HONG KONG LIMITED RISK DISCLOSURE STATEMENT

RISK OF TRADING FUTURES AND OPTIONS AND OPTIONS & CLIENT ASSETS RECEIVED OR HELD OUTSIDE HONG KONG

The risk of loss in trading futures contracts or options is substantial. In some circumstances, you may sustain losses in excess of your initial margin funds. Placing contingent orders, such as “stop-loss” or “stop-limit” orders, will not necessarily avoid loss. Market conditions may make it impossible to execute such orders. You may be called upon at short notice to deposit additional margin funds. If the required funds are not provided within the prescribed time, your position may be liquidated. You will remain liable for any resulting deficit in your account. You should therefore study and understand futures contracts and options before you trade and carefully consider whether such trading is suitable in light of your own financial position and investment objectives. If you trade options you should inform yourself of exercise and expiration procedures and your rights and obligations upon exercise or expiry.

This brief statement, does not disclose all the risks and other significant aspects of trading in Futures and Options. In light of the risks, you should undertake such transactions only if you understand the nature of contracts (and contractual relationships) into which you are entering and the extent of your exposure to risk. Trading in futures and options is not suitable for many members of the public. You should carefully consider whether trading is appropriate for you in light of your experience, objectives, financial resources and other relevant circumstances.

Client assets received or held by the licensed or registered person outside Hong Kong are subject to the applicable laws and regulations of the relevant overseas jurisdiction which may be different from the Securities and Futures Ordinance (Cap. 571) and the rules made thereunder. Consequently, such client assets may not enjoy the same protection as that conferred on client assets received or held in Hong Kong.
